

MARIPOSA ACADEMY OF PERFORMING ARTS

****ALL DANCERS MUST BE PRESENT AT THE REHEARSAL****

Each class will have a scheduled time to practice their dance so that everyone becomes familiar with the stage. The dancers should come quietly into the auditorium **15 minutes before** they are scheduled to dance. For the morning rehearsal, dancers should be in class dancewear (leotards, tights, etc).

Dancers are to sit quietly with their class until they are called to the stage, then sit quietly afterwards while they wait for the curtain call practice and dress rehearsal. If there is adequate time between the first rehearsal for their dance and the curtain call (after lunch), parents may take them out of the theater or to lunch during that time. Children are not to be left unattended in the theater. Please bring adequate water and snacks for your children and take them outside if you are eating.

Once you return from lunch and have finished your first round of rehearsals, get into your first costume (according to the *dress rehearsal* list) and prepare for the dress rehearsal. Additional costumes, etc should be ready to change into in your assigned changing room downstairs. Once dancers have finished their dance(s) in the dress rehearsal, they are free to leave (curtain call will only rehearse after lunch). Please do not forget your costumes – or shoes – at the theater.

Thank you! Let me know if you have any questions. See you at Rehearsal!
